Property Description

This is a two level building consisting of two 1-bedroom, 1-bath apartments. The lower unit is 1000 square feet with a kitchen, living room, dining room, one bath, balcony, and 1-car garage. The second level is 120 square meters and has a kitchen, living room, dining room, bedroom with a mezzanine, one and a half baths, and a terrace. The views are wonderful, as you are set above the rainforest canopy with a panoramic view of the mountains. You can even see all the way south down the coastline to Dominical. There is simply no other investment opportunity in this area with this much land, this quality, and quantity of construction with this view, this privacy, and the ability to substantially increase the number of rental units.
