Property Description

Lot #7 located in boutique residential community of Altos de Colonia, and has a concrete drive for access to a double-tiered building site with stunning ocean views looking north to the whale's tail shaped sand bar and reef. This lot is perfectly manicured to blend in with nature, while combining great infrastructure. The development fronts a natural reserve, where walking trails are already in place to take advantage of the surroundings. These lots are only a 4-minute drive off the main Coast highway and most can reach without having to use 4-wheel drive. Between the views and the prices this is a must see!
