Property Description

Natural Paradise: Finca Cantaros is a uniquely special place, 17.3 acres (7 hectares) with lovely home, lake, forest and gardens set in the tranquil rural canton of Coto Brus, just minutes from the Panama border. Located at a cool 1200 m elevation in the desirable neighborhood of Linda Vista de San Vito, the property enjoys spectacular views of the Talamanca Mountains and the Coto Brus valley. San Vito—the capital of the canton—is a small but vibrant town just a short drive away with all the essential shopping amenities, professional services and expanding hospital. Owner's Home The owner's home (140 sq mtr / 1500 sq ft), originally built in 1994, was completely remodeled in 2014. High ceilings, skylights, and LED lighting with dimmers throughout provide a spacious and gracious atmosphere in a modest-sized home ideal for a couple or small family. The kitchen is superbly designed for a serious cook with excellent counter space and cabinet storage and with a sophisticated gray/white granite counter and detail around the sink and stove.
