Property Description

Luxury Residential Lot for sale in Los Reyes: Enjoy Costa Rica's excellent climate, beautiful mountains, green meadows, leafy trees, fresh air, and forest reserves. This gated community offers privacy, ample space and abundant nature. Nearby to the best hospitals and the best shopping – including a giant modern Multiplaza Mall and many entertainment options to fit all tastes and lifestyles. This lot measures 1098 Square Meters, it is completely flat. All single family homes in the community are built to the specs of each home owner, so you can find one story and two story homes and homes in different price ranges in the different communities within Los Reyes. There are quite a few luxury homes built on double lots, all with regulated setbacks and green fences to keep the harmony of the community but you will also find townhouses. You will be able to find different styles of architecture in Los Reyes, from Spanish colonial style to modern contemporary.
