Property Description

Rarely do we find a tropical mountain home that is close to the beach and urban areas but is just off the beaten path to give a tranquil lifestyle. This home is just five minutes to the paved road in Paraiso. It is also just 20 minutes to Tamarindo. It was built to accommodate a tropical country lifestyle. It is located on a back road through the mountains just behind Playa Negra and Avellanas. The lot is enormous and the home is quaint and inviting. The market is quite active in this area for homes in the under \$200K range and this one will surely sell in no time. It only takes a moment to click for more details...what are you waiting for?
