Property Description

This is a one of a kind property with a very tastefully done house surrounded by majestic trees and steps to the beach in Playa Pelada. The entire property and structures are custom designed and Nosara inspired that is turn key and ready to be lived in. There are numerous unique and exquisite touches that make this a special place for someone seeking a tranquil garden style setting that is also a great place to host and entertain. The main house opens into the living room and custom kitchen with the master on one side and guest room on the other. All windows open up and create a unique indoor / outdoor setting that brings in the natural surroundings and sounds. Both rooms open up to outside patio garden setting which has a small pool and casita with a chefs kitchen on the bottom (optional) and a room with outside deck above. Also in the courtyard area is a large garage with plenty of storage space and an additional artists workspace which can be converted into a room of your choice.
