Property Description

Area 1,724 m² or 18,500 sq ft. Construction area 300 m² or 3,200 sq ft. Spectacular view of 270° to the ocean, in an excellent location. This modern house with spectacular ocean views is built around a mountain, located in Ocotol Beach, one of the beach with high class residential houses, just three kilometers from all the amenities offered by Coco Beach. The house has two floors, designed with steel and glass finishes with modern details, combining spaces that adapt to the area. In addition, the design includes channels and artificial water surfaces that connect throughout the house, providing a constant feeling of freshness, simulating a mixture between a river and an internal lake, which provides a cozy and relaxing atmosphere inside the house. The first floor of the property has a bedroom with its own bathroom, parking area for two vehicles and a half bathroom that connects to an outdoor terrace with a small wooden ranch for events.
