Property Description

Its location allows you to be in a quiet neighborhood, surrounded by trees and yet only a couple of blocks away from the main street connecting Jacó and Herradura. You get a well-built house with a big living room, with its high ceilings and all the trees around it you don't even need A/C. The fully fenced yard is perfect for kids to play, pets to run around safely or even to expand the house. The pool just had some work done and it's in perfect working conditions. There's a covered car port and space for at least 2 more cars on the driveway, also a separate and convenient storage room. This is an investment property only minutes away from: Los Sueños Marina & Golf Course, international cuisine, Jacó's nightlife and shopping centers.
