Property Description

This 3 bedroom home is located in Playa Matapalo on a quiet street with great access. It was recently built and is clean and nice. It has a nice kitchen and living room area and 2 bathrooms. The house also has a pool and a covered rancho next to the pool perfect for relaxing in a hammock. The property is approx 600 meters from the beach or a 5 min walk. Playa Matapalo is one of the most beautiful beaches you will ever see. It is about half way between Dominical and Quepos so there is easy access to both places. Along the beach in Matapalo there are several small hotels and restaurants. This house has a good rental history for long term rentals but it would also be a great house for short term rentals. At this price this house will not last long!
