Property Description

Fully custom home designed by the owner/artist to exact standards in 2017. Under roof at 2,200 SqFt and with the two decks it's at 2,690 SqFt. Elevated off the ground by 24 steel columns, the home sits atop a mountain ridge at 3,500 feet of elevation featuring stunning views of the Gulf of Nicoya and Pacific Ocean to the west and city and valley lights of San Jose to the east. The home features 2 large bedrooms, 2 full bathrooms complete with walk-in live-in-the-view showers and an office/study. The fully open living room, dining room, and kitchen concept create a warm and inviting atmosphere that easily lends itself to fantastic entertaining possibilities. The large laundry room holds a washer, dryer, and freezer, has a built-in sink and plenty of counter space and numerous cabinets for storage and pantry use. The home has 2 deck/patio areas – one large deck facing the Gulf at 425 SqFt and a second deck off the 2nd bedroom which faces the eastern sunrise at 65 SqFt.
