Property Description

This beautiful 2-bedroom, 2-bath condo is located right along the calm beaches of Playa Potrero in Guanacaste, Costa Rica. This home features a spacious kitchen, which opens beautifully into the main living area; plenty of large windows that allow for a bright and sunny environment; and sliding glass doors that open up to the private balcony. There is plenty of room for a dining table in the main living area or on the large balcony. Dine with fabulous views of the sunsets and palm trees! Hear the ocean from your bedroom window. This home is in a very private 8-unit development, and features a beautiful pool with lounge chairs and common area. The home also comes with a private laundry room right outside your door and shared with only one other condo, which is great for keeping the laundry out of the home and giving you much more livable space inside. The kitchen is fully functional, but can be updated and/or totally remodeled to your liking.
