Property Description

MAJOR PRICE REDUCTION - Absentee owner says "MUST SELL!!" and drops price \$40,000 in an effort to do so. Recent paint and exterior woods refinished, plus other "fix ups". The cottage is situated on a large, fully-titled 1,276m2 property that includes an upper lot that can easily be split off and sold, or you can build a new main house or guest house or a couple of casitas. If you decided to split off the upper portion, both lots would still be fully-titled. This is a well built, well maintained and thoughtfully designed cottage located on the main road from Buena Vista into Samara - all flat roads, bike or walk to town or the beach!! This house has a strong rental history, both as a vacation rental and as a long term rental, so the rental/income opportunities are there for the taking! The existing house is fully furnished and move in ready, with 1 bedroom and 1 bath plus a laundry room, small storage bodega, and additional sleeping space in a screened-in "sleep porch".
