Property Description

Imagine laying in your king-sized bed in the master sweet and enjoying the jungle breeze and ocean view of the reefs along Playa Pelada. The home is an estate home meticulously maintained by the owners and is an absolute must see. Two master sweets, one upstairs to take advantage of the views and the second on the first floor above the garage. From the expansive second-floor master bedroom, you will sleep like a king and awaken to the sound of the ocean. The kitchen and living space are very spacious with high ceilings and lots of light from the exterior. Vaulted teak ceilings open up the bright white rooms throughout the home. Having a nice garage is a plus and there is lots of storage for surfboards, quads and even a vehicle. The gardens around the home are exceptional with mature fruit trees and lush jungle paths to the home's private entrance.
