Property Description

This popular bed and breakfast is a true treasure - right in town yet, tucked away in a quaint enclave less than two blocks from the beach. Casa Bambula has two cozy apartments each with its own bathroom. The design of these two apartments allows guests to have separate entrances or the interior entrance can be opened up to allow for a family to take over the two apartments. Additionally, there are also two cabinas on the property, each with their own bathroom and access to a communal kitchen, all of which surrounds a lovely pool with lush landscape. This property features recently installed solar panels that offset a significant portion of the electrical operating costs. If you're looking for a turnkey business with a strong rental history, this one is for you! For more information, please contact nick@coldwelbankersamara.com or 506.8841.0634
