Property Description

This spacious and private oasis with a pool is in a quiet neighborhood close to Santa Ana Central, 5 minutes to Forum I and the highway and 10 minutes to Escazú. The house has a fantastic, contemporary design that showcases natural stone, wood and fine finishes. The kitchen is recently remodeled and fully equipped; while open to the dining area, living room and the terrace that borders the pool. The master suite is on one side of the house and also opens onto the pool side terrace. Two of the secondary bedrooms, each with their own bathroom, are located on the other side of the house with views of the trees. The fourth bedroom is very spacious and is located on the second floor. • 425 m2 of construction and 2026.12m2 lot • 4 bedrooms, each with their own bathroom • Modern kitchen that is fully equipped • Large covered terrace with views of the heated pool • Spacious living room with a fireplace and large dining room • Maid's quarters • Large storage room • Alarm system Shown by appointment only.
