Property Description

This spectacular, contemporary, 5,940 sq ft (550m2) house epitomizes luxurious living and Balinese architecture with lots of natural light, beautiful tropical gardens and breathtaking sunsets. Designed by the renowned architect, Roland Zurcher, the home is built to the highest standards with the finest, luxury materials. It is located in an exclusive and secure community of only 26 homes; close to the new country club in Santa Ana. Comprised of two levels, the lower level features the master bedroom suite with Jacuzzi, 3 additional bedrooms, 2 full baths, laundry room and maid's quarters. The second level features a magnificent entrance foyer, spacious living room, dining room, kitchen and balcony with a BBQ area and gorgeous views of the lush forest. Other features: Entertainment system: Residence consists of a sound system and a cinema theater remotely controlled through mobile phone or tablet, high-speed wire-less Internet in entire house in addition to cable Internet and TV.
