Property Description

Yes, this home is really listed for \$375,000. Measuring 4,250 square feet and beautifully finished, furnished and landscaped, it has a location that is perfect for three reasons: 1) it is 200 yards' walking distance from the gorgeous Club Arbol facilities (photos included), 2) it just one mile from pristine beaches in a quiet community, and 3) it is just one mile from a paved highway that connects you everywhere you need to go in Costa Rica. It is ready to move in or rent, fully-furnished and equipped, and built to last. The owners are ready to sell and have set a price that will bring a buyer soon. The Tierra Pacifica gated community in Playa Junquillal, just 30 minutes south of Tamarindo, is truly exceptional. Tierra Pacifica's homeowners' association provides 24/7 security and maintains all community spaces and facilities, including Club Arbol. Amenities include a multi-level pool, jacuzzi, tennis court, gym, yoga salon, two barbecue areas and several miles of well-maintained nature trails.
