Property Description

SOLD SOLD SOLD Great opportunity to own a home in the exclusive community of Playa Ocotal. One of the best priced ocean view homes in our area offering: main floor with 1,900 sq. ft., four bedrooms, 2 baths, and fine Costa Rican hardwoods throughout. Ideally located with only a 10 minute walk to the beach. The massive wooden sliding French doors that lead from the open floor plan to the front porch provide easy access to the outdoor living space. On the lower level there is a bonus area of 70 sq. meters allowing for expansion for either a rental apartment, caretakers apt. or additional bedrooms. The high wood ceilings along with the open floor plan help to maximize air flow, economizing air conditioning use. The covered parking will accommodate at least 2 cars. With a few improvements this home could transform into a real gem and ultimate investment. It is only 25 minutes to the Liberia "LIR" International Airport, 45 min.
