Property Description

We all want that ocean view lot, close enough, but not too far away (from it all), no noise, can't see your neighbor, but they are near - got it! This is it. Just two minutes to the highway and 3 minutes to Ojochal to the south, then 4 minutes to Uvita to the north - this location is just right. Oh yea - beaches. Playa Ventanas is right there, Pinuelas, Ballena, Totuga, Bahia... do I stop here? And over three acres of pure joy to build your home, now, or in the future. There are too many features here not to consider for a purchase now. These kind of properties do not last long.... just watch! Call me to see this great property at a great price.
