Property Description

This tropical beach home located just minutes to Carrillo Beach is made special by each of the unique little details that the owner incorporated into the design. The home was built using the best locally sourced materials in the area. Featuring exotic woods such as Guanacaste, Cedar, Padauk, and Teak among others, you'll find the natural wood accents throughout the home and the property. Top of the line security features were also incorporated throughout with a beautiful electric gate, 6 strategically placed surveillance cameras and more. Included in the property is a 1BR/1BA 1,000 sq ft home with a large covered patio with rocking chairs, built-in seating and a huge Guanacaste slab dining table. The living and kitchen area features a lounge space, a breakfast bar made out of exotic Almedro wood and an efficiently designed kitchen with all the amenities you need. The bedroom features high ceilings, a split AC unit, built-in closets and shelving and an ensuite bathroom.
