Property Description

This beautiful 2 bedroom 2 bath home is just very few steps to the spectacularly unspoiled beaches of Esterillos Oeste, popular with tourists, families, surfers and residents alike. The property is completely walled and filled with flowering, fruit and shade trees of many kinds. There is a guest cottage with a full bathroom for family, friends and vacation rental income too. The main house also features two large terraces to enjoy the tropical weather, breezes, birds, wildlife and lush landscaping. And there is a beautiful mozaic tiled outdoor shower to rinse off after a fun day on the beach, plus plenty of room for your surfboards and other beach toys in two large storage rooms. Wake up every morning to the sweet sounds of birds chirping and marvel at the multitude of parrots and majestic scarlet macaws that visit the area nearly every evening at sunset. The award-wining blue flag beach only steps outside your front door, is renowned for its fun surfer's wave on one end and tranquil tidal pools on the other end.
