Property Description

Welcome to Casa Tropical Dream. This open floor plan home with modern design and finishing is located just a short 5 minute drive to the sought after bustling town of Tamarindo and its plethora of amenities. Yet despite being so close, this home is surrounded by nature and greenery belying its proximity to the beach, bars and restaurants etc. The home is located on a very usable lot that is a little under a 1/4 acre with a secure perimeter wall and an electric gate for convenience. There is ample parking for several cars with a car port to cover one car, should one consider 4 bedrooms insufficient, a casita could be constructed in place of the ample parking. Adjacent to the car port is the 4th bedroom complete with ensuite bathroom and kitchenette. This could be a maids quarters, office or a guest house. As you enter the home via the short staircase you have the 2 guest bedrooms on either side of you.
