Property Description

This newest project in Uvita is the hottest deal on the market. This two floor, 3 bedroom / 2,5 bathroom contemporary design home with a pool is to be built in the heart of Uvita walking distance to the amenities and a beach. This would be perfect for your new chapter of your life. This beautiful house can be a home for your full time living in Costa Rica or to be used for part time living here and rest of the time you can have it managed as a vacation rental which would generate you a very decent income and pay itself off. Uvita Beach is a popular tourist destination and rentals are very much needed all year round. Having a whale season twice a year, tropical weather all year long, amazing beaches with jungles and wildlife as well as being a surfers' paradise, this place is about to explode. With a low cost of living, low property tax and no HOA fees this home is your ideal choice. Buying a pre-construction home allows you to customize the changes based on your liking before the home is completed.
