Property Description

Casa Nautilo grew from a desire to create a home that complements the unspoiled beauty of Nosara, and where the silence is broken only by the sounds of the surf and birdsongs. The property, situated on a small ridge 200 meters from the beach called for design elements that would capture the ocean breeze and take full advantage of the uninterrupted views of the ocean. The quiet, private Guiones Beach Club offers the ideal location for a home that promises to provide its guests with true indoor-outdoor living at the edge of the jungle and at the lip of the ocean. Costa Rica's natural wonders surround you at Casa Nautilo. The sun rises through the jungle to the east, pasture land stretches towards the hills to the south, and to the west, the sun sets over the ocean filling the horizon with ever-changing hues which can be seen from every room in the house or while cooling off in one of the two infinity pools.
