Property Description

Unique and New property, 350 meters from the beach, in the peaceful village of Playa Samara on the Pacific coast of Costa Rica. The house offers great amenities on a 450 m² fully fenced plot. You are in the village but in the heart of a lush jungle at the end of the road, all close to the sea (350m) that is to say all that one needs in Costa Rica. The luxury of tranquility with all the amenities. International schools from kindergarten to high school, restaurant, bakery, supermarket, doctor, pharmacy, and soon its brand new clinic. You can do absolutely everything on foot or by bike. 3 rooms of about 16m² with their own bathroom (2 on the first floor and one on the ground floor). One of the two bedrooms on the first floor opens onto a 25m² balcony with a view of the jungle and its fauna (monkeys, birds, iguana...), where you can practice yoga in a quiet and ideal setting. On the second floor there is an open space of 25m² opening onto a void on the living room, which can easily be converted into a 4th bedroom.
