Property Description

Casa La Virgen sits in the quaint town of La Virgen, Costa Rica; a rural neighborhood community surrounded by farms and ranchland. Located less than two miles from the wide open beaches of Playa Zancudo and Playa Langostino. The two-story three bedroom / two bathroom home has been completely remodeled yet leaves plenty of room for the new owners to personalize the home. Casa La Virgen is located on a paved street and tucked off the main road. There are fruit trees on property and room for additional fruits, vegetables and a cabina or two. There is city water and a well on the property. High speed fiber optic cables feed the properties' advance communication network. The Community of Playa Zancudo Although small in area, this town is large in personality. Visitors and homeowners can choose from a variety of restaurants and bars for dining, dancing, and entertainment. Zancudo has two super mercados to choose from that carry all the day-to-day basics.
