Property Description

Penthouse Condo available for sale with elevator access and located within the gated Hermosa Del Mar condo development designed by Ronald Zurcher (architect for the Costa Rica Four Seasons Resort). This stylish condo professionally decorated with a tropical motif is located in Playa Hermosa Guanacaste. Hermosa is considered more laid back than Coco Beach and offers a white sand beach and crystal clear water. The recent growth in Hermosa has led to an increase in the number of dining options. The location is ideal: 25 minutes to the Liberia International Airport, close to the beach and the condo has an ocean view. It is unusual to find a property that has both an ocean view and is walking distance to the beach. Playa Hermosa consistently is awarded the country's prestigious distinction of "Ecological Blue Flag". The beach has been outfitted with play grounds for children, tables and sitting areas for families to enjoy picnics at the beach.
