Property Description

This luxury villa is a one-of-a-kind masterpiece. There are many beautiful luxury homes in Costa Rica with ocean views, but this one exceeds all expectations. It offers precise perfection in every detail for luxury tropical living with a unique lush jungle & ocean view. This villa allows you to experience the senses from the private terrace, whether you're savoring your morning coffee and listening to the beautiful sounds of tropical birds with the waves crashing in the background or enjoying a glass of wine watching the colorful year-round sunsets. Located just a short minute drive to Surf, shops and the best restaurants in Santa Teresa as with most of the homes in this community, there is a real focus on 2 things; luxury and outdoor living. The gourmet kitchen and living area is on one floor and is open plan resulting in the a really airy feeling with lots of light from the moment you walk through the front door.
