Property Description

Modern surf and yoga villa 2-minute walk to Guiones beach. The house is located as close as you can get to the beach while also being close to restaurants (but not too close where you get tourist congestion and noise). The house is modern, freshly renovated (April 2022), and safe (gated & monitored by a security guard). This home was created to share with special guests and friends. Located in the K section and surrounded by a lush garden where the ocean sounds accompany the rhythm of the jungle. The designer renovation of Casita Del Mar was completed in April 2022 with modern influences and locally sourced materials. Upon entering Casita Del Mar, you are surrounded by beautiful, hand-crafted teak doors, modern patterns, colorful tiles from Nicaragua, and Balinese decor. In the master suite, added in 2022, enjoy a bright space finished with spectacular teak details, king size bed with a headboard sourced from a local Guanacaste tree, and a cozy sitting/ TV area.
