Property Description

Beautiful well appointed home in the Selvamar neighborhood walking distance to Del Mar Academy. A perfect home for a family to enjoy the security of a growing long term residence project. From the home, enjoy a short walk to the amenities of the Selvamar Clubhouse, public cookout and pool area. Because Ceiba #4 is located on the end of the cul de sac and bound by a small seasonal creek it will be one of the nicest properties on this dead end road. The surrounding land is covered by an Ecological Easement that defines how the natural resources are to be protected. For those who love to hike the jungle, bird watch, enjoy the howler monkeys in the trees, etc. the property is a short walk to the beginning of several miles of Nosara Civic Association owned trails. For more information, building plans, etc. about this great opportunity please do not hesitate to contact Jim Ewing at jim@surfingnosara.
