Property Description

This beautiful building was developed to become one of the most exclusive apartment complexes, thanks to its strategic location, in a secure area of rapid increasing value. The complex has three buildings, of six main floors, a ground floor and an upper level for terraces. The first building has 11 apartments, underground parking areas and external parking areas for visitors. The complex has a club House, a gym and ample social areas, for you to enjoy and relax. Here you will have advanced technological services in Internet, security system, CCTV, two elevators, emergency power generator, and sprinkle fire alarm system. The building has an ample lobby area with luxurious furnishings in all of the common areas, according to the quality of an exclusive lifestyle. The common areas of the building have a common living room, meeting room and a gym. According to the comfort and security each apartment has a parking area with capacity for three cars and a storage room.
