Property Description

Welcome to Casa Kaleta, a stunning 5BR, 4,500 square foot home located in the Tierra Pacifica gated community in Junquillal, Guanacaste. It is the perfect home for the indoor-outdoor lifestyle so many seek when they move to Costa Rica. Every door in the home opens to an outdoor terrace area, with a total of seven different patios on two levels. This is a home designed for truly enjoying nature, situated on 1.9 acres. With so much space, it is a perfect property for large family vacations or even group retreats. The home was designed with nature in mind - the primary living room, kitchen and dining spaces are on the second level, nestled in the forest canopy. This main space is an impressive, voluminous space with soaring, two-story ceilings. The kitchen and living space are located on the second level of the home, while the bedrooms are on the first floor. This design ensures that you're up in the trees in your living space, with breathtaking views from every angle.
