Property Description

This exclusive pristine property consists of three separate structures on a spacious and lush lot situated in a private enclave - no HOAs fees - with a few properties. This one-of-a-kind craftsman compound is close to all the best shops, restaurants, and attractions of Atenas and beyond but feels remarkably remote in its lush hillside setting. The main house was built in 1994 and features 2 bedrooms and 2 bathrooms. The primary suite features an en-suite bathroom and walk-in closet. The lovely open kitchen features beautiful custom cabinetry and breakfast bar. The living room is bathed in natural light with French doors and windows that lead out to the lush garden. The house is completed with a large office/spare bedroom and laundry room. The guest house is absolutely dreamy with complete kitchen and bathroom, a wonderful private quarter for overnight guests. Separated by a breezeway garden, both the main house and guest studio open out to the terrace and enjoy the panoramic vistas.
