Property Description

This modern villa is located at the exclusive mountains of Playa Hermosa within a 5 minute drive from the coastal road and beach. At this location you can get to Dominical or Uvita in about 15 minutes where you will find all groceries, restaurants, clinics, banks and all kinds activities. The current home is at the far corner of the lot leaving plenty of space with gardens and a long driveway to the house. You can use this space for a main house or build another rental villa in the future. From the parking space you go up the stairs through the tropical gardens. The open concept construction with an outdoor kitchen and dining terrace and beautiful view of the jungle take advantage of the relaxing sound of the water from the year round creek that borders the property. Big sliding glass doors open to the master suit with custom wood furniture; king size bed, walk-in closet and a full size bathroom with white counter tops and beautiful ceramic tile.
