Property Description

Life is too short to wait for your dreams - if moving to Costa Rica and starting a charming homestead is yours - and if you'd love to live within walking distance from a pristine, white sand beach - this turnkey "homestead starter kit" is an opportunity to have your dream home immediately. A clear, detailed list of everything included in this property is below. The property comes with a charming tiny home, including a container with the perfect screened-in porch, a space for spending most of your time enjoying Costa Rica's countryside. Situated on 1,536 square meters of land, dozens of fruit trees have already been planted, with garden beds and a seed-starting table to make gardening easy. In addition to the home, there's a workshop onsite and the property even includes a 2004 Nissan Xterra. The location is utterly idyllic - the 15-minute walk from the home to the beach takes you through Guanacaste countryside.
