Property Description

"Lavanderia Central", formerly know as "Lavanderia Las Olas", is an extremely profitable laundry and cleaning business with large facility conveniently located in Villarreal. Started in 2017, this successful business is one of two laundry services in the greater Tamarindo and surrounding areas, and has established on-going monthly contracts with major hotels, boutique hotels, restaurants, and several of the larger AirBnB's. In addition to the great same-day and/or 24 hour turn around service for laundry dropped off, this company picks up and delivers laundry, as well as provides select cleaning services. The business enjoys 5 star ratings on "Google" and "Facebook" as well as on other social media platforms, and boasts a great reputation for good work and timely deliveries. The leased facility centrally located in Villarreal houses the washing and drying operation. There is a small apartment attached to the Villarreal processing facility that is also a source of revenue, and the current owner rents it to one of his employees.
