Property Description

There's no other penthouse like this one in Jaco Beach. Step inside and feast your eyes on the sweeping ocean views. The modern, high-end unit facing the ocean also provides for a unique lush mountain view experience in the south end of the beach. Macaws fly right before your eyes on this 5th-floor penthouse. The main area is comfortable and expansive with large living room and dining room sitting for 8. Step out to a large terrace for sunbathing. High-end appliances in the gourmet kitchen with isle seating and spectacular hooded stove. Quartz countertops, dishwasher, and gorgeous high-end Cafe French door fridge. The two guest bedrooms downstairs have an en-suite bath, so comfort for all guests is a guarantee. Upstairs awaits the master bedroom with its en-suite bathroom and walking closet. The views from here are breathtaking. The outdoor patio has ample room for a full sitting and dining area, BBQ, a spacious dry bar, and, again, the soothing ocean breeze and the sweet sound of the waves to make your sunset watching experience truly extraordinary.
