Property Description

If you have dreamed of a beachfront home on the Pacific Ocean, look no further. This newly constructed villa was nearly three years in the making and attention was paid to every detail; from its high ceilings throughout to the 3'X5' tiled floors and everything in between. Each of the four master suites have a distinct personality and expansive views of the ocean, mountains and nature reserve next door. Hermosa Villa is located in front of the world class surf of Hermosa Beach, on the Central Pacific Coast of Costa Rica where surf is always in season and the water is always warm. Just a 10 minute drive to the top tourist town of Jaco, this villa is close to all the fun, restaurants, tours and activities! The international airport and central valley are a scenic drive away of just over an hour. Enjoy the stunning ocean view from both floors with the sandy beach just steps away from the Jacuzzi and grand swimming pool with a sheer descent water feature.
