Property Description

Located at the south end of Playa Guiones in Nosara in a new gated community/development called the Guiones Beach Club, the Rancho Paloma Azul home is perched on top of a small knoll that is 1110 square meters (approximately 1/3 acre) in size. It has views of the Pacific Ocean, the surrounding hills, and rainforest and is approximately 300 yards from the beach (about a four minute walk at most on a private, palm-lined trail). Because of its slight elevation, the property typically receives a nice ocean breeze. This home can accommodate as few as two guests with bed space for as many as 22 and includes all of the following: THE RANCHO: A 18' x 24' indigenous open-air "palapa" style patio structure made of beautiful teak wood. This is the social hub of the home. It includes an open kitchen, bar countertop & stools, and a large communal dining area along with open-air hammocks and lounge day beds and views to the beach.
