Property Description

Casa Zuma is a secluded and spacious 3 bedroom 3 bath home located in the Highlands of Esperanza Nosara, Costa Rica. Casa Zuma is a fully furnished, three bedroom, three bathroom home nestled under a canopy of tropical trees in a secluded community that's only a few minutes drive to the beach. Beautiful native hardwoods are used throughout for a fantastic finish, including on the large covered patio that spans the entire front of the home, providing a spectacular view of the jungle terrain. Enjoy visits from monkeys and other local animals who share the shade trees and natural creek that runs along the front of the property. The house has an area of 204 square meters (2,200 square feet) on a 1428 square meter lot that's beautifully landscaped and reserves enough space to add a pool. One of the bed/bath combos has its own entrance and can be separated for use as a small apartment for a rental or caretaker. There's secure parking in a two-car garage with direct entry to the main house.
