Property Description

Welcome to the premier community in Atenas- the town famous for the world's best climate! Enjoy living at almost 1000 feet over the valley below! The breathtaking mountain views from the infinity pool and oversized deck put this property in a class by itself! This custom home was designed around the mountains and even the view from the kitchen is amazing. Relax around the 11-foot island in the kitchen which is loaded with beautiful solid wood cabinets. The kitchen is open to the living room and the entire area is surrounded by windows. Set the mood with the premium imported lighting in the living area and outside on the entire property. The accommodations include a 1500sq ft main house, a lovely casita, oversized 2 car garage with apartment and guest room. The home is being sold fully furnished as shown in the listing photos. Everything is in impeccable condition with great attention to detail- even the ceiling has custom features and fans.
