Property Description

The design of this gorgeous pre-sale home entails a comfort and luxury concept. The construction of the house will start at the beginning of 2023, and will be ready to enjoy in August of the same year. This two-story home measures 332 square meters and sits on a 6.598 square meters property. The first floor features three large bedrooms and two and a half bathrooms. The master bedroom has its own private bathroom and terrace. The second floor features an open modern kitchen, living/dining room, covered terrace with lap pool with great mountains, valley and river views, and double carport. All the rooms in the house have high ceilings to maintain the house at a cool temperature. This modern pre-sale home is located 25 minutes from Atenas downtown in a fine gated-community.
