Property Description

Na Umi seaside condominiums, the latest addition to the Pacifico community, offer luxurious coastal living with exceptional features and spectacular views of the ocean. This two-bedroom, two-and-a-half-bathroom unit features 3015 square feet of contemporary design, bringing the beauty of the outdoors into each room. When you step inside the unit, you are instantly greeted by the generous help of natural light and air from the expansive windows, high ceilings, and glass sliding balcony doors. Privacy is ensured in the two main bedrooms, which have sliding doors to separate them from the social area. Both bedrooms offer modern in-built wardrobes and en suite bathrooms, providing plenty of space for a king-size bed, bedside tables, and extra seating. The bathrooms showcase a minimalist and organic design, featuring a double vanity and glass-enclosed walk-in showers with an infinity drain system.
