Property Description

This modern home with 145 m2 of construction and two levels, Casa Roble will allow you to wake up to incredible views and contemplate beautiful sunsets from the window of your room or your magnificent balcony. Casa Roble is made up of 3.5 bathrooms, and three beautiful bedrooms, the main one with a private bathroom and two secondary ones. All the rooms are on the second floor, while on the ground floor we have a large room with an area for teleworking, a rest area, a bathroom, a laundry room, a kitchen with an integrated dining room, and indoor parking for two vehicles. This beautiful unit is perfect for families looking for their children to grow up in a quiet environment away from the stress of big cities. The location of the residential project allows you to have access to schools, health centers, supermarkets, and everything you need to have that beach life you have dreamed of. About the Project This project is a residential area surrounded by nature, located just 5 minutes from Playa Bejuco and very close to Playa Esterillos, where you can build the house of your dreams according to your budget and needs.
