Property Description

Rare Hidden Jewel: Enjoy peaceful tranquility with close proximity to the action! Five minutes from the beach and bustle of Santa Teresa, you'll find Villa Pochote, a Balinese-style, luxe oasis. Nestled in the jungle, this hidden jewel is perched at the very top of one of the most harmonious neighborhoods in town. As you enter the grounds of this 1.7 acre tropical paradise, your eyes feast on stunning mountain and seascapes with views sprawling all the way to the whitewater of Sunset Reef. With bamboo vaulted ceilings and sacred geometry open floor plan, this unique villa allows for true indoor/outdoor living. Designed in the golden ratio for optimum harmonic resonance, this four bedroom, three bath home immediately drops into the frequency of the natural world. Awaken to a cacophony of jungle sounds in your fairytale forest as you enjoy the sunrise from one of your 5 beautiful decks, luxuriate on the sun shelf of your pool, and entertain friends from your caesarstone customized chef's kitchen.
