Property Description

This property is a true delight walking through several garden areas with multiple fruit and native trees that creates a beautiful park like environment with lots of shade everywhere. There are many trails that could be created to the river in the back and leading you through the amazing scenery. The home sitting on the property feels absolutely cool and has a easy access from all angles. The kitchen is spacious and connected to the outside lounge area with a large family table and the pool right in front. There is a play area next to it with Bbq area to enjoy. 2 bedrooms and 2 bath with custom woodwork throughout are in the main house and in the back you will find the artist studio, looking over the gardens, perfect for some artistic inspiration. The studio could also be a casita as it is self contained with its own bathroom, shower and loft.
