Property Description

A modern and ecological property located inside La Ecovilla, a world class permaculture development. This sanctuary is nestled in the tropical rain forests of central Costa Rica. The breathtaking expansive mountain valley views are a divine space to disconnect from modern urban life and connect with nature to nurture the body, mind and spirit. Our main space overlooks the valley and has expansive views. We have a master bedroom, adjoined children rooms and a professional kitchen. This project also features 5 fully furnished Villas, each with their own full-size kitchen, 1 1/2 bathrooms with walk in closet, two additional queen size sleeper sofas, one modern design chair that converts to a single sleeper and washer and dryer. The property is setup to comfortably sleep up to 32 guests with 4 additional suites with walk in closet and full bathrooms that can be setup to sleep 8 more people for a total of 40.
