Property Description

This Mediterranean style villa is located in the popular community of Opera Salvaje, a very safe neighborhood with friendly neighbors, gated with 24/7 security. The property is quite spectacular with scarlet macaws and toucans frequently seen in nearby trees. This Villa has it all - tropically landscaped grounds, beautifully tiled indigo blue swimming pool, private outdoor terrace, BBQ gazebo, plus a separate guest house with full kitchen, 1 bedroom and 1 bath. There's also a garage for your car. The main house is open and spacious with 2 large bedrooms, 2 baths and living room that opens to an outdoor covered terrace for dining, BBQs or just enjoying the breezes. If you like to cook, you'll love this kitchen; fully equipped with a bar separating the living room. The house is built with impressive finishes and a variety of woods, the ceiling being exposed teak beams, and all work by local artisans.
