Property Description

Priced for a quick sale! Casa Suenos is one of the finest ocean view properties on the entire coastline. The views include the surrounding hills of Playa Flamingo and the boats basking in the sun filled bay! Enjoy the dramatic sunsets and the transformation to the evening and the twinkling of the lights of Playa Flamingo. This spacious 3 bedroom 3.5 bathroom home is accented by a gorgeous swimming pool and entertainment area. The grounds are lush and private. Casa Suenos has ocean views from every room. The property needs some work and rather than doing the renovation the owner, who is seldom here, has decided to let it go at a steep discount! You do the work, you reap the reward, as it should be! A detailed inspection has been performed by a licensed engineer and is available to those who visit Casa Suenos.
